GEOGRAPHY AWARENESS WEEK NOVEMBER 16-20

Geography is Everywhere Photography Contest Oct 21-Nov 11 | Online

The Geography is Everywhere Photography Contest is open to MSU students & scholars, faculty, staff, retirees, and alumni. Scan the QR code or visit geo.msu.edu for contest rules and entry form. Winners will be announced during Geography Awareness Week.

3D Printing Terrain Elevation Models Workshop Nov 17 | 2-4 PM | Digital Scholarship Lab, MSU Main Library

Learn to produce a 3D model of terrain elevation for printing on a 3D printer. We will learn about digital elevation models, where to find DEM data to create our printable export, and then use the QGIS plug-in DEMto3D to create a model. Scan the QR code or visit geo.msu.edu to register by 11/15. (Limited to 25 participants.)

GIS Day: Data-Data-Data!

November 18 | 2:30-4:30 PM | Main Library | Green Room on 4th Floor

Please join the MSU GIS Users Community and MSU Libraries Map & Geospatial Services as they welcome panelist sharing their challenges and triumphs regarding geospatial data for projects. No registration is required. Everyone is welcome! Scan the QR code to learn more.

Your Future with Geography: A Discussion with MSU Geography Alumni November 18 | 4:30-6 PM | Kellogg Center, Lincoln Room

Ever wonder where a degree in Geography can take you? Join us for our Geography Awareness Week Alumni Panel to explore the wide range of careers built on spatial thinking and geographic analysis. Please scan the QR code to RSVP.

Paint the Rock for GAW | November 19 | 6 PM | The Rock

Join the MSU Geography Club to paint the iconic Rock near the Farm Lane Bridge.

Visit www.geo.msu.edu for more details.
