

Social Science in Rome

An aerial photograph of Rome, Italy, showing a dense urban landscape with numerous buildings, domes, and classical architecture. The city is viewed from an elevated perspective, with the Tiber River visible in the distance. The sky is clear and blue.

Summer Semester
Four weeks in June

A collage of four images representing Rome. The top-left image shows the Colosseum. The top-right image shows a bridge over a river with the dome of St. Peter's Basilica in the background. The bottom-left image shows ancient ruins with columns. The bottom-right image shows a large fountain in a public square.

Social Science in Rome offers more to its students than just studying in the Eternal City!!!!

- Your class schedule (Monday-Wednesday 8:30am-1:30pm and Thursday 9am-1:30pm), allowing for weekend travel and plenty of extra exploring throughout the week!
- Your small group of fellow study abroaders will soon become your closest friends!
- The cultural experience of living in the ancient capital of Rome offers every student a unique experience!

Don't miss this opportunity to live in the Eternal City!!!
